“World premiere: Teatro Regio, Turin, 1896. *La Bohème*, the passionate, timeless, and indelible story of love among young artists in Paris, can stake its claim as the world’s most popular opera. At first glance, *La Bohème* is the definitive depiction of the joys and sorrows of love and loss; on closer inspection, it reveals the deep emotional significance hidden in the trivial things—a bonnet, an old overcoat, a chance meeting with a neighbor—that make up our everyday lives.”
